

COVID-19 STATEMENT

20th August 2020

St George's Centre reopens on Tuesday 1st September 2020 to external customers. We are pleased to be able to serve our community once more by providing space for groups to begin meeting again. In light of COVID-19 and in order to ensure the safety of all staff and customers we have listed below the precautionary measures which all visitors must comply with.

All staff and visitors must;

- Wash their hands on arrival and regularly make use of the non-alcoholic hand gel available throughout the centre.
- Register on arrival.
- Have a temperature check on arrival.
- Wear a mask at all times when in St George's Centre.
- Maintain a social distance of 2m where possible.
- Follow the one-way system directed in the corridors.
- Not attend if they have shown any [symptoms](#) of the coronavirus in the last 48 hours.
- Report to either the organiser or to the Centre staff if they are showing symptoms of the coronavirus during their visit.
- Report to either the organiser or to the Centre staff if since visiting St George's Centre in the last 48 hours, they are now showing symptoms of the coronavirus.

St George's Centre will also be providing the following service;

- All room layouts are socially distanced by 1.5m where possible.
- All rooms and communal areas are deep cleaned at the start of each meeting.
- If multiple meetings occur on the same day, we will ensure they have staggered arrival, break, and finish times to prevent traffic in communal areas.
- All rooms and communal areas have non-alcoholic hand gel available at all times.
- If a visitor arrives without a mask, a disposable face mask can be provided.
- When setting up rooms and serving refreshments and catering, all staff wash their hands thoroughly before and after serving customers.
- All communal areas have socially distanced markings to remind visitors to maintain social distancing.
- All staff will be available throughout the day to help guide people around the venue and ensure that visitors are maintaining the precautionary measures when onsite.

We are continuing to follow the government's guidance on safely welcoming visitors to the centre, therefore we will notify all visitors if there are any changes.

Should you have any queries or suggestions on how we can improve our service, please contact us at bookings@stgs.org.uk or on 0113 383 2140.

Kind regards
Holly & the team
